STAGE 20

Stage 20 is a group of talented young students who seek to expand their interest in theatre and appreciation for acting and stage-craft. For many in the company, it is the opportunity to experience the feeling of being "on stage" for the first time.

This year's winter season production was "The Lunchline" and the spring play was "The Young Guard," written by Anably Aleksin. Our thanks go to the technical crew for doing a wonderful job behind the scenes.

STUDENT COUNCIL

The Student Council is comprised of three representatives from each grade, nine through twelve, as well as a president who is an elected senior. Its purpose is to bridge the gap between students and faculty, to serve as a positive influence in the school and community, and to raise funds for scholarships and to support school events and activities.

Stage

This is where you can find the *artistes* of Mill River, displaying for all their talents and skills, making magic on the stage. Not to be forgotten are the members of the stage crew who work hard, extremely long hours to create the sights and sounds that will transport the audience into a world of their design.

We would like to congratulate Stage 40 on their performances of "Terezin: A Remembrance", "Professor Zucchini's Traveling Tales", and "A Marriage Proposal".

We also appreciate the guidance and support of Peter Marsh and Tom O'Brien.

the minstrels

Instrumental programs for Mill River include Seventh Grade band, Junior band (grades 8 and 9), Senior High band (grades 10, 11, and 12), Jazz Lab Studies Ensemble and Senior Jazz Studies Ensemble. These students strive for All State New England, Eastern and National levels. We would like to acknowledge and congratulate these students for their talents and skills.

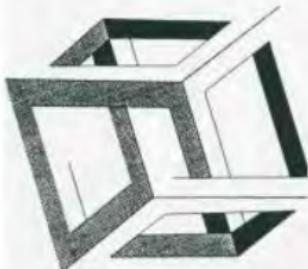

Chorus

Mill River Union High School Musicians develop their knowledge and abilities through participation and performance in vocal ensembles such as Seventh Grade Chorus, Junior Chorus (grades 8&9), Junior High Vocal Ensemble, Senior Chorus (grades 10, 11 & 12), and the Senior Chamber Singers, "Almost A Capella."

Many of these students extend their efforts and studies through participation in Honor Ensembles at the District, All State New England, Eastern and/or National levels.

Stafford Technical Center

Mill River students are offered a whole new world of experience by attending the Stafford Technical Center. Among the courses offered are: marketing, culinary arts, automotive technology, human services, carpentry/masonry, business, forestry, electrical/plumbing, machine technology, health services, child care. The Stafford Technical Center helps students to develop a better understanding of occupational choices, creating the opportunity for a fulfilling and challenging journey into the working world.

Peer Friends

In the Peer Friends program the participants come together to discuss topics of concern and to seek advice about problems. Within the group they work to increase their knowledge of the effects of alcohol, drug abuse, peer pressures, and family systems and their importance.

GMTI

The Green Mountain Teen Institute is an exciting, residential program designed to give students the skills to resist alcohol and other drugs. Upon completion of this program the participants are encouraged to complement these prevention activities with their peers.

NHS

National Honor Society members are chosen for their excellence in the areas of scholarship, character, leadership and service. The emphasis of the organization is on community service. Each member volunteers in some way to benefit the community. In addition, close to \$4000 was raised this fall which was spent on food baskets delivered to 63 families in the Mill River District towns, and Rutland Town. The NHS also baked apple pies for Rutland's Open Door Mission, and accompanied residents of the Eden Park Nursing Home to the Rutland Fair.

Math Counts

Question: Which group of Mill River students are not afraid of challenges and are always eager to test their problem solving abilities?

Answer: The Mill River Mathcounts Team!

This year several seventh and eighth grade students worked hard to improve their math skills under the coaching of Mr. Barker and Mr. Tucker. Highlights of the year included a mini-meet and a regional competition held at Castleton State College.

GIRLS' VARSITY SOCCER

Coach's Comment

Marge Congdon

"With one lone senior this was a year of transition where the majority of the players were new to the Varsity program. The highlight of the season would have to be the playoff game at Vergennes; in the rain, sleet, snow and wind we had four different underclassmen score. They set the tone for the future. If one could have experienced the bus ride to and from victory against Vergennes they would know the true meaning of Mill River Spirit."

Coach's Comment

Coach's Comment

Richard Probst

"This is *the* year for Mill River Golf. For the first time in years Mill River has the quality and desire to become state champs. Last season was a building year for the future. We had three first place finishes, two second places, five third place finishes, and one fifth place finish. Also, we came in fourth in the Southern Vt. Golf Conference, third in the Southern Sectionals in Rutland, and we came in fifth in the State Finals. Voted by the league coaches we had two All-Star players: Jeff Olesky and Jordan Bemis. This should carry Mill River to the State Championships in 1996."

VARSITY CHEERLEADING

Coach's Comment

Linda DiPalma

"These twelve girls had a very successful season. In competition at St. Michael's College this year, Mill River came in runner's up in the Division II competition. This season has been, for me, a very enjoyable and rewarding one. These young ladies came to practice each day with

- a positive attitude
- a willingness to work together
- a drive to work to their fullest
- a motivation to be the best they could be.

I personally felt honored to have the privilege to work with such a nice group of girls."

Varsity Girls'

Coach's Comment

Shirley Bruso

The 1995-1996 Girl's Varsity Basketball team was a team that struggled at times and shined at other times. They had an overall record of 10-12 and won their playoff game against Vergennes (1st win in a play-off game since the 1992-1993 season) to the "buzzer." They lost their quarter-final game against Mt. Abraham. Congratulations to Michelle Whitehead for her selection to the MVL All-Star Team.

Coach's Comment

Shirley Bruso

The 1995 Varsity Softball Team was an experienced team with seven seniors each of whom started at various times. The team ended with an overall record of 10-8, won their playoff game and lost to Randolph in the quarter-finals.

Congratulations to three girls who were selected to the M.V.L. All-Star Team: Kathryn Blair, Ali Jesser, and Maria Stephan. Also, we had three girls who made the All-South Team: Kathryn Blair, Ali Jesser, and Erin Betourney, and two girls who represented Mill River at the Twin State Classic: Ali Jesser and Kathryn Blair.

*As we
travel our
separate paths,
we take one last
glimpse at what
was and what
will never be the
same again.*

*Many years will
separate our lives
but they can never
take away our
very own
Mill River
fairy tale.*

*Time it was
And what a time it was
- a time of innocence
- a time of confidences
Long ago?
It must be.
I have a photograph.
Preserve your memories.
They're all that's left to you.*

(Thank you, Paul Simon - "Bookends")
